Workshop Faculty: Ponseti Experts from around the world

LATE-BREAKING NEWS!

The ever-popular **Ponseti Casting & Tenotomy Workshop at the Clubfoot Congress is back at SICOT OWC, Madrid**. Supported by **OrthoPediatrics Specialty Bracing**, this 90-minutes session will include demonstration of Ponseti hand-holds by our expert faculty and a live hands-on casting workshop on clubfoot rubber models. Whether you are a novice in the Ponseti method, a mid-level trainee or an expert caster, this bespoke workshop is meant for you. Understand foot biomechanics and principles of Ponseti manipulation on bone models, learn step-by-step casting techniques on rubber models led by qualified table instructors, and practice your tenotomy skills at the Achilles tenotomy workstation. Clarify concepts and upgrade your skills!

WHAT'S NEW THIS YEAR?

- One-on-one mentoring by Ponseti experts from around the world
- Introduction to foot biomechanics including concepts of the calcaneopedal unit (CPU), Faraboeuf's boat and kinematic coupling
 - Handholds and modified casting technique for atypical clubfoot
 - Casting considerations in syndromic & neuromuscular clubfeet
- Modifications to the Ponseti protocol while casting delayed-presenting & older children with clubfoot
 - Achilles tenotomy hands-on practice workshop
 - Bracing solutions
