IACES 2025 - MADRID

INTERNATIONAL ADVANCED
COURSE ON **ELBOW SURGERY**

WELCOME ADDRESS

Dear Madam/Sir,

As part of our ongoing efforts to disseminate knowledge in elbow surgery, we are pleased to announce the fifth edition of the Madrid International Advanced Course on Elbow Surgery, IACES 2025 (www.IACES2025.com).

Previous editions have established this course as a premier event, attracting delegates from 35 countries and receiving outstanding feedback. We are committed to enhancing this edition further and seek your valuable partnership.

The Madrid IACES 2025 will be held from May 22-24 at the Hotel Meliá Castilla in Madrid. We have crafted a comprehensive program that focuses on controversial aspects of elbow surgery and live surgical techniques.

We have invited internationally recognized experts and opinion leaders in elbow surgery, providing you with the opportunity to interact and ask questions. We anticipate delegates from around the world to attend the Madrid Elbow Course IACES 2025. We firmly believe this course will continue to offer the best education in elbow surgery, maintaining a friendly and enjoyable atmosphere that fosters great interaction among all participants.

As in previous editions, the Madrid Elbow Course IACES 2025 will be a valuable forum for orthopedic companies interested in elbow and upper limb surgery. A commercial area with stands will be available, and we expect significant interaction. We have designed the program to allow ample time for delegates to visit the exposition area, where companies can showcase their products and engage with potential clients.

During the three days, a wide range of surgical procedures and techniques will be covered. In past editions, we have dedicated specific time slots for symposiums and workshops focused on specific products. We will continue to perform live surgery on cadavers using specific surgical techniques, and we believe various companies may be interested in collaborating with us.

We would be delighted if you could join us for this exciting event. Your contribution to the Madrid Elbow Course IACES 2025 will undoubtedly make this meeting even more successful.

If you accept this invitation, please contact the organizing event company at g.gallardo@torrespardo.com. Feel free to contact us for more information or specific queries.

Whether you have already participated in this event or not, we hope you can join us!

Best Regards,

Chairman
