EUROSOIL 2025 Sponsorship Opportunities

VII EUROSIL 2025
& X Congreso Ibérico
de la Ciencia del Suelo
SEVILLE-SPAIN 8-12 SEP

Join us as a sponsor for the prestigious EUROSIL 2025.

Align your brand with innovation and excellence by becoming a key supporter of this premier event in soil science and related disciplines.

VII EUROSOIL 2025
& X Congreso Ibérico
de la Ciencia del Suelo
SEVILLE-SPAIN 8-12 SEP

A photograph of a soil profile with a measuring scale. The scale is a vertical metal rod with numbers 1, 2, 3, 4, and 5 marked on it. The soil is dark brown and appears to be a loam or silt loam. The background shows green grass and some rocks.

We offer three levels of sponsorship, each designed to showcase your company's commitment to the field while providing maximum visibility and engagement opportunities.

For furniture rental please contact the Technical Secretariat (eurosoil@viajesoci.es)

A small, dense green plant with needle-like leaves is growing out of a crack in a stone pavement. The pavement consists of irregular, light-colored stones with dark, recessed joints. The plant is positioned on the right side of the frame, with its base in a crack between two stones. The overall scene is a close-up, top-down view of the pavement and the plant.
