SCIENTIFIC PROGRAM

WELCOME TO MADRID

Welcome to Madrid, the capital and largest city of Spain. Madrid is a vibrant and cosmopolitan city that offers a rich cultural heritage, a lively nightlife, and a variety of attractions for all tastes.

Whether you are interested in art, history, gastronomy, or sports, Madrid has something for you. You can visit world-class museums like the Prado, the Reina Sofia, and the Thyssen-Bornemisza, admire the stunning architecture of the Royal Palace, the Plaza Mayor, and the Puerta del Sol, enjoy the green spaces of the Retiro Park, the Casa de Campo, and the Botanical Garden, or indulge in the delicious cuisine of tapas, paella, and churros. Madrid is also a great base to explore other nearby destinations like Toledo, Segovia, and Avila.

Come and discover the charm and beauty of Madrid, a city that will surprise you and make you fall in love.

45th SICOT ORTHOPAEDIC WORLD CONGRESS MADRID · SPAIN · 3-5 SEPTEMBER 2025

Dear Colleagues and Industry Partners,

On behalf of SICOT, it is our great honour to invite you to join us for the 45th Orthopaedic World Congress in Madrid, from September 3rd to 5th, 2025. This event promises to be a groundbreaking and transformative gathering for the orthopaedic community.

Our congress will serve as a global platform where leading experts, innovative researchers, and industry leaders come together to share cutting-edge advancements, research findings, and technological innovations that are shaping the future of orthopaedic care. The comprehensive program will feature plenary and keynote lectures, debates, interactive workshops, panel discussions, JAM and free paper sessions covering a wide array of topics, from advanced cutting edge surgical techniques to emerging technologies in practice and challenges of orthopaedic practice in the Low income countries.

Your participation is invaluable. As delegates and industry partners, your insights and collaborations are essential in driving progress in our field. We encourage you to engage in discussions, share your perspectives, and explore new opportunities for collaboration that will not only enhance patient care but also propel our specialty forward. Our goal for this congress is to host the most successful GLOBAL SICOT meeting yet, welcoming delegates from all corners of the world.

Madrid, with its rich cultural heritage and vibrant atmosphere, offers the perfect backdrop for our congress. Its accessibility, with direct flights to hundreds of cities across Asia, Africa, the Middle East, Latin America, North America, and Europe, makes it an ideal location for our international gathering. We hope you'll take time to explore the wonders of this magnificent city during your stay.

We look forward to welcoming you warmly to what will undoubtedly be a memorable and impactful event. Together, let's continue advancing the fields of orthopaedics and trauma, shaping the future of musculoskeletal health.

Warm regards,

Vikas Khanduja

President
SICOT

Oliver Marín-Peña

Congress President
SICOT OWC Madrid 2025

45th SICOT ORTHOPAEDIC WORLD CONGRESS MADRID · SPAIN · 3-5 SEPTEMBER 2025

It is my great pleasure to welcome you to the 2025 SICOT Orthopaedic World Congress (OWC), taking place from 3-5 September in Madrid, Spain. As the Scientific Programme Chair, I am honored to introduce a congress that embodies SICOT's unwavering commitment to advancing orthopaedic education, research, and clinical excellence on a global scale.

This year's scientific programme has been meticulously designed to be more interactive, engaging, and innovative than ever. Alongside our renowned Instructional Symposia, Free Papers, Debates, Surgical Technique Demonstrations, Ask the Expert Sessions, and Case Discussions, we are introducing exciting new sessions that address the evolving landscape of orthopaedics. These include dedicated sessions on leadership and practice management, round-table complex case discussions, regenerative medicine and future innovations, as well as a hands-on cadaveric course. Additionally, the Pre-Congress SICOT Postgraduate Examination Course (SPECTOR) has been developed to support trainees in orthopaedic residency, further enhancing the educational opportunities available at the congress. And the LATAM Pre-Congress Programme, dedicated to Upper and Lower Limb, will ensure a high level of up-to-date knowledge with our Latin American friends.

A key highlight of SICOT OWC 2025 will be the world-renowned Plenary Sessions and keynote speakers, featuring distinguished experts from around the world, who will share cutting-edge insights, challenge conventional thinking, and inspire the next generation of orthopaedic professionals. These thought-provoking sessions will complement an already dynamic and comprehensive scientific programme, ensuring that attendees gain valuable perspectives from leaders at the forefront of orthopaedic innovation.

With a world-class faculty spanning all continents, SICOT OWC 2025 promises to be a truly global gathering where experts and emerging leaders come together to share their research, discuss key challenges, and shape the future of orthopaedics. The scientific sessions have been carefully curated to ensure a balance of cutting-edge research, practical learning, and thought-provoking discussions that will inspire and drive meaningful advancements in patient care.

A congress of this magnitude is only possible through the dedication and hard work of many individuals. I would like to extend my heartfelt gratitude to the Scientific Programme Committee, our Subspecialty Chairs and Committees, Partner Societies, faculty, and all contributors who have worked tirelessly to curate an outstanding programme. Their expertise and commitment have been instrumental in bringing this vision to life.

Madrid, with its rich cultural heritage, modern infrastructure, and vibrant atmosphere, provides the perfect backdrop for this exciting event. I invite you to immerse yourself in the science, engage with colleagues from around the world, and take full advantage of this unparalleled learning and networking opportunity.

On behalf of SICOT and the Scientific Programme Committee, I look forward to welcoming you to Madrid 2025 for an inspiring and unforgettable congress.

Warm regards,

Khaled M Sarraf

SICOT DIPLOMA EXAM

Wednesday 3rd September, 08:30 – 13:00h
Room BRUSELAS

In 2003, for the first time, SICOT held an examination for orthopaedic trainees during its Annual International Conference in Cairo, Egypt. A SICOT Diploma Examination has been held every year since.

The SICOT Diploma Examination aims to set a global standard for examination in Trauma and Orthopaedics and to offer candidates the flexibility to choose the format that best suits their needs, while still ensuring the integrity and rigour of the examination. The exam tests the core clinical knowledge and competence of the orthopaedic candidate or surgeon in practice.

The syllabus (www.sicot.org/diploma-examination) for the exam is broad, covering the whole breadth of Trauma and Orthopaedics, which can be applied globally. The candidate must be able to demonstrate clinical knowledge and competence appropriate to orthopaedic and trauma surgery across the whole breadth. The syllabus is broadly divided into the following four domains: Basic Sciences – including Oncology and Infection Trauma Adult Pathology – Spine and Lower Limb Upper Limb and Paediatric Orthopaedics

The results of the examination will be announced at the Closing Ceremony on Friday 5th September at 12:00 in the Main Auditorium of the Palacio Municipal de Congresos de Madrid. and successful candidates will be presented with a diploma.

PRE CONGRESS DAY

POLYTRAUMA COURSE • Room Londres • Tuesday, September 2nd

TREATMENT STRATEGIES IN POLYTRAUMA SESSION I

2 September 2025, 14:00-15:00 • ROOM LONDRES

Moderators: Marc Hanschen, Germany
Carlos Olaya-Gonzalez, Spain

Definitions and nomenclature

Marc Hanschen, Germany

Strategies and damage control surgery

Michel Paul Johan Teuben, Switzerland

Case discussion

Roman Pfeifer, Switzerland

TREATMENT STRATEGIES IN POLYTRAUMA SESSION II

2 September 2025, 15:00-15:45 • ROOM LONDRES

Moderators: Amparo Gomez Gelvez, Colombia
Roman Pfeifer, Switzerland

Lecture: blunt trauma pelvis

Carlos Olaya-Gonzalez, Spain

Preperitoneal pelvic packing: how and when?

Roman Pfeifer, Switzerland

Case discussion

Michel Paul Johan Teuben, Switzerland

MODERN TREATMENT OF OF HIGH-ENERGY SPINE INJURIES - SESSION III

2 September 2025, 16:00-17:00 • ROOM LONDRES

Moderators: Ilir Hasani, North Macedonia
Stephan Frenzel, Austria

Lecture: High-energy spine injuries

Michel Paul Johan Teuben, Switzerland

Lecture: Spinal cord injuries

Ilir Hasani, North Macedonia

Timing fracture repair in patients with severe brain injury

Stephan Frenzel, Austria

Case discussion

Roman Pfeifer, Switzerland

MANAGEMENT OF MAJOR EXTREMITY TRAUMA/ RECONSTRUCTION - SESSION IV

2 September 2025, 17:00-18:00 • ROOM LONDRES

Moderators: Devendra Agraharam, India

Lecture: Major extremity trauma

Devendra Agraharam, India

Management of bone defects

Amparo Gomez Gelvez, Colombia

Case discussion

Christian Fang, Hong Kong SAR

Final course evaluation

Roman Pfeifer, Switzerland

Michel Paul Johan Teuben, Switzerland

Acetabular fractures: percutaneous fixation

Jose Felix Castillo Saenz, Panaman

Acetabular fractures: early total hip arthroplasty

Pablo Díaz De Rada, Spain

Discussion

Crossfire 2: Proximal Tibia Fractures in the Elderly

Knee replacement is the best option

María Luisa Bertrand Bertrand, Spain

Discussion

Crossfire 3: open tibia fractures

First option : external fixator

Carlos Olaya-Gonzalez, Spain

No discussion, first nailing the fracture

Ángela Hernández, Colombia

Discussion

Crossfire 4: Complex Distal Tibia Fractures

Straight forward to initial ankle arthrodesis

Juan Jose Ramirez Reyna, Mexico

Initial fracture fixation is my first choicee

Arkel Gonzalez, Panama

Discussion

Remarks

Always fracture fixation is mandatory
Angel Diez Rodriguez, Spain

PARTNER SOCIETIES PROGRAM

AO TRAUMA

4 September 2025, 14:30-16:00 • ROOM AMSTERDAM

Introduction & Objectives

Carlos Olaya-Gonzalez, Spain
Roman Pfeifer, Switzerland
Ramesh Kumar Sen, India

Cross-fire discussion: key controversies

TOPIC 1: UNSTABLE PELVIC FRACTURES – EARLY FIXATION VS DAMAGE CONTROL

Option A: Early Definitive Fixation in Hemodynamically Unstable Patients
Roman Pfeifer, Switzerland

Option B: Damage Control Orthopedics (Pelvic Binder, External Fixator, Delayed Surgery)

Carlos Olaya-Gonzalez, Spain

Audience Q&A

Primary total hip replacement after acetabulum fractures: new data

Roman Pfeifer, Switzerland

TOPIC 2: MANAGEMENT OF ELDERLY PATIENTS WITH ACETABULAR FRACTURES

Option A: Primary THR + Osteosynthesis in geriatric acetabular fractures

Marc Hanschen, Germany

Option B: Primary THR w/o osteosynthesis in geriatric acetabular fractures

Audience Q&A

Gilbert Wagner, Germany

TOPIC 3: ROLE OF SURGICAL APPROACHES TO ACETABULUM (ANTERIOR COLUMN FRACTURES)

Option A: Anterior approaches, what else?

Miguel Angel Giraldez, Spain

Option B: Ileo femoral approach is the work horse

Ramesh Kumar Sen, India

Audience Q&A

Take-Home Messages & Closing Remarks

ESSKA - EHPA TECHNOLOGY IN HIP PRESERVATION

4 September 2025, 16:30-17:30 • ROOM BERLIN

Moderators: Vikas Khanduja, United Kingdom

NETWORKING EVENTS

PRESIDENT'S WELCOME DINNER

When: Tuesday September 2nd, 19:30h
Where: Real Casino de Madrid.
C. Alcalá, 15, Centro, Madrid
Dress-code: Business attire

The most exclusive dinner of the congress will take place at the Real Casino de Madrid.

With a cocktail served in the French eclectic style Patio in which highlights the stained glass by Maumejean and the modernist staircase designed by Lopez Salaberry and decorated by Angel Garcia.

The dinner will take place in the Royal Ballroom, the most emblematic place of the Casino, neo-Rococo style: the lamps by Mansard, the stained glass windows by Maumejean, the ceiling canvases by Emilio Sala and Cecilio Pla and the marble frieze by Mariano Benlliure.

And with the dinner being served by the catering of Paco Roncero, awarded with two Michelin stars.

Very limited places available, first come first served basis

Not included in the registration fee.

Price: 125€

OPENING CEREMONY AND WELCOME COCKTAIL

When: Wednesday, September 3rd 17:30h
(Opening ceremony)
and 18:45h (Welcome Cocktail)
Where: Congress Venue - Palacio Municipal de
Congresos, Main Auditorium
Avenida Capital de España, 7, Madrid
Dress-code: Business or Business Casual

Don't miss the opportunity to attend the opening ceremony of the congress, which will be held on Wednesday 3 September at 17:45h in the main auditorium.

After the official opening and welcome speeches, you will have the opportunity to enjoy a very special evening featuring a selection of the most representative cultural traditions of Spain and Madrid, followed by Welcome drinks & Snacks served in the foyer of the Auditorium.

Not included in the registration fee.

Opening Ceremony: 5€

Welcome Cocktail: 30€

SICOT 2025 DINNER

SANTIAGO BERNABEU REAL MADRID STADIUM

When: Thursday, September 4th 19:30h
Where: Santiago Bernabeu Stadium Real Madrid FC
Av. de Concha Espina, 1, Chamartín, Madrid
Dress-code: Business Casual

The Official Dinner SICOT Madrid 2025 will take place in one of the most emblematic locations in our city: the Santiago Bernabeu - Real Madrid FC stadium.

Enjoy an unforgettable evening with the possibility to attend a dinner that will be served inside the facilities of the Santiago Bernabeu Stadium, a unique opportunity to enjoy a unique and unforgettable experience.

Not included in the registration fee.

The price of the ticket is 195€

Limited attendance tickets will be sold on a first come first served basis.
