International Combined Meeting **EORS-ARCO 2026**

22-23 September 2026

WELCOME LETTER

Dear colleagues and friends,

Orthopaedic research has seen continuous and exciting advancements over the past decades. Contemporary management for arthritic and traumatic disorders depends on improved knowledge and the practical application of these new findings. Therefore, a close collaboration between clinicians and researchers is essential to achieve optimal patient outcomes.

During its General Assembly in 2024, the European Orthopaedic Research Society (EORS) approved Madrid, Spain as the host city for its 34th Annual Meeting, to be held from September 23 to 25, 2026. It is our privilege to welcome you to one of the best events for sharing ideas, fostering learning, and networking in the field of Orthopaedics, not only in Europe but globally.

Driven by the EORS's central aim, this event provides a unique forum where orthopaedic surgeons, biologists, biomechanists, bioengineers, and translational investigators can engage in vital discussions. The ultimate objective is not only to streamline the path of promising findings from the lab to the clinic, but also to identify pressing clinical problems that require further investigation. The program will combine keynote lectures from world-renowned experts with symposia and free paper sessions, all designed to enhance research studies and extract clinically relevant conclusions through dynamic debates. Additionally, poster sessions will provide excellent opportunities to increase the visibility of investigations. We especially encourage new investigators to participate, gain valuable experience, and foster their growth in the field.

Madrid is a vibrant, growing city with excellent facilities. It is currently experiencing significant growth in its demographics, investment, and international standing. The Congress will be held at the Escuela Técnica Superior de Ingenieros Industriales – Universidad Politécnica de Madrid, part of the School of Industrial Engineering. This prime venue is centrally located on the iconic Paseo de la Castellana, near the Santiago Bernabéu Stadium. Attendees will find all accommodations and travel connections exceptionally accessible, ensuring a smooth and enjoyable experience at our venue.

We are very honored to organize our EORS Annual Meeting!

Nos vemos en Madrid!

Eduardo García-Rey, MD, PhD.

Laura Saldaña, PhD.

GENERAL INFORMATION

Venue

UPM School of Industrial Engineering

C. de José Gutiérrez Abascal, 2
Chamartín, 28006 Madrid

The UPM School of Industrial Engineering is one of the most prestigious engineering institutions in Spain. Located in the heart of Madrid, the school stands out for its academic excellence, strong industrial connections, and a long tradition of engineering education and research. Its emblematic building on Paseo de la Castellana provides an ideal location for conferences, with excellent accessibility and modern facilities suitable for large scientific events.

IMPORTANT DATES

Abstract Submission:

Opens: 1st February 2026

Deadline: 31st March 2026

Registration:

Opens: 1st February 2026

Deadline for early bird registration: 1st July 2026

ECO-FRIENDLY and PAPERLESS

EORS 2026 is a paperless, sustainable and environmental friendly Congress encouraging the use of recyclable material.

SMOKING

EORS 2026 is a non-smoking congress.

ATTENDANCE

The Congress usually attracts between 400 and 500 participants from all over the world.

EXHIBITION

Access to the exhibition is free for registered participants. The exhibition will be open on 23-25 September 2025 during the congress hours

LUNCH AND REFRESHMENTS

Lunches are included in the participants' registration fee.

Coffee, tea will be available in the exhibition area during the breaks.

LIABILITY

By registering for the Congress and/or by participating in the exhibition joined to the Congress, participants and exhibitors agree that EORS, the Organizing Committee or the Congress Secretariat do not assume any responsibility for damage or injuries to persons or property during the Congress. Participants and exhibitors are advised to organize their own health, travel and personal insurances.

LETTER OF INVITATION

Upon request, the Chairman of the Local Organising Committee will be pleased to send a personal letter of invitation to registered participants to enable participants to obtain visas for attending the Congress. These invitation letters cannot be considered as an offer of financial support by the organizers and will only be provided to registered participants once the payment has been received.

MAIN CONTACT DETAILS

EXHIBITION SPONSORSHIP

1. BOOTH

3.000€

Size: 2,5 m. x 1 m.

This includes:

- Exhibition space - 2 exhibitor's badges for each 6 sqm - Cleaning on public areas and aisles - Acknowledgement at the Congress Website - Electricity Connection Drop - WiFi. Table and two chairs
- The exhibition will be open on 23-25 September 2026.

2. BOOTH + WORKSHOP

7.000€

Within the scientific programme, at the end of the lunch time, with a maximum duration of 55 minutes

- The workshop is considered as a private event of the company, so the company will invite the attendees.
- The price includes rental of the meeting room, AV standard set-up: screen, computer, megaphony (two table micros, one podium micro and two hand micros) and one AV technician.
- Companies will be requested to submit the content of the workshop to the Scientific Committee one month before the congress starts.
- The company is able to present products (aimed at improving quality, care and patient service), either by means of a series of conferences and a discussion forum, or with a practical session demonstrating the placement and use of medical material.
- The symposium programme, with subjects, speakers and timetables, will be included in the scientific programme.

OTHER SPONSORSHIP OPPORTUNITIES

WELCOME RECEPTION - Wednesday 23 September 2026

This event will take place in the exhibition area. It offers superior visibility with a perfect networking opportunity.

The sponsor will obtain:

- Company logo on catering tables
- Roll-up banners may be displayed
- 2 complimentary event invitations
- Oral acknowledgement by the conference chairs during the reception
- Acknowledgement in the final program and on the conference official website

GALA DINNER - Thursday 24 September 2026

Sponsoring the Gala Dinner will be a memorable event and it provides an opportunity to interact with all delegates with high visibility.

The sponsor will obtain:

- Company logo on the menu card
- Oral acknowledgement from conference chairs
- Acknowledgement in the final program and on the conference official website
- 4 tickets to the Gala Dinner

NEW INVESTIGATORS EVENT - Wednesday 23 September 2026

New Investigators are defined as university students (undergraduate or graduate) or employees of an academic institution in the field of orthopaedic research, who have obtained their doctoral degree (MS, MD, PhD, DVM) or orthopaedic residency within the past 5 years. This is a well attended event (usually sold out) and will give sponsors very high visibility, especially among investigators below 40 years of age.

The sponsor will obtain:

- Company logo on the menu card
- Oral acknowledgement from conference chairs
- Acknowledgement in the final program and on the conference official website
